

COOLCOM.COM
PREMIUM WEB SERVICES

**NOW INCLUDED
with
EVERY Account**

Just one domain gets you an account

- Full DNS and MX Record control for every domain (name servers and pointing)
- Email Forwarding for every domain (not to just one address, multiple addresses)
- Email Domain Forwarding (all addresses at one domain get to the same address at another)
- Landing Page creator for every domain (Yes, a 1-click landing page for every domain)
- Weebly 3 for every domain (FREE Weebly site builder to create that great 3 page starter site)
- Client Centre for account management and renewal reminders
- cPanel management for email and site control for ALL DOMAINS (not just hosted domains)

This is without a doubt, the most stunning, high value offer to date on the internet. Get in NOW... and be guaranteed future savings.
